Marine - Hangarkatta Port - Landing and Shipping Fees Committee - Appointment of Customs Collector, Hangarkatta, as an Ex-officio member - Proposal - submitted.

******

I invite attention to Memorandum No.5255-1 of the Finance (Marine) Department, dated 12.3.1934 in which Government accepted the proposal to appoint a Landing and Shipping Fees Committee at Hangarkatta with 5 members including the Port Conservator as the Ex-officio President. At that time the Customs Collector, Hangarkatta, was also the Port Conservator. A departmental Conservator has recently been appointed as Port Conservator at Hangarkatta and the Customs Collector, Hangarkatta, has therefore now no seat on the Landing and Shipping Fees Committee. According to paragraph 281 (a) (3) of the Madras Port Manual Customs Collectors at minor ports are however Ex-officio members of the local Landing and Shipping Fees Committees and the Port Officer, Mangalore, requests that the Customs Collector, ------- Hangarkatta may be appointed as an Ex-officio member of the --- Hangarkatta Landing and Shipping Fees Committee in addition to the existing members. I support the Port Officer's proposal and recommend that it may be approved by increasing the existing

number of members of the Committee by one.
